SHOW GARDEN COLLECTION

5 Bulbs of each Variety listed below.

40 BULBS for only **\$4.00**
Ppd.

MRS. JOHN SCHEEPERS. One of the largest bright yellow Tulips. Oval shaped flower carried on long, straight stems. (Cottage)

PRIDE OF ZWANENBURG. A beautiful salmon-rose Tulip with a narrow edge of bluish rose at the margin. Tall, stately beauty. (Darwin)

DILLENBURG. A glorious salmon-orange, with large, showy, well-formed flowers. A favorite of Tulip enthusiasts. (Breeder)

WHITE CITY. A strikingly beautiful pure white Cottage Tulip. Inner petals stand erect, outer petals are recurved. (Darwin)

GEORGE GRAPPE. An enormous flower, lavender-blue with faint bronze undertone. Shows beautiful heavenly-blue base when open. (Breeder)

ECLIPSE. The most perfect crimson-colored Tulip today. Glorious color and perfect shape. (Darwin)

PRINCESS ELIZABETH. A charming rose-pink Tulip with topaz lights and Fuchsia shadowings on the exterior. (Darwin)

AMERICAN FLAG. Dark red with broad white lines and blue base. Colors resemble the American flag. (Rembrandt)

BULBS listed at right, only Postpaid

All Imported From Holland

BARTIGON MAXIMUS. Bright medium-red, sport of Bartigon. This beautiful Darwin Tulip grows to a height of 29 in. (Darwin)

YELLOW EMPEROR. A brilliant golden yellow flower of great beauty. Considered one of the best yellows. (Cottage)

QUEEN OF THE NIGHT. A very showy, deep velvety maroon that looks almost black. A tall, stately beauty. (Darwin)

NEW ORLEANS. A very striking brownish-red flower, with blue base. Medium large; vigorous grower. (Darwin)

THEMIS. One of the best white Tulips. Outstanding for its well-shaped flowers and clear, glistening color. (Cottage)

PRINCESS MARGARET ROSE. Brilliant yellow and red Tulip, notable for its large size and vigorous growth. (Cottage)

PURPLE COPELAND. A rich, dark purple Tulip. Long considered one of the very best. (Darwin)

CAMPFIRE. Well named for its dark, flaming red color. The kind Tulip enthusiasts love so well. (Darwin)

GIANT DAFFODILS

These giant-flowered Daffodils will achieve the gayest, most striking color effects in your garden for years to come. Easy to grow; require very little care. They multiply rapidly, doubling in number each year. Every garden should have a generous planting of these Daffodils, for the bright cheerful color they bring to the early spring scene.

MOUNT HOOD. A magnificent, pure white Daffodil. The trumpet is well proportioned and of purest white color. One of the finest white Trumpets.

Plant Colorful LILIES This Fall

Speciosum Rubrum

MADONNA LILY (Candidum). Loveliest and best known of all white Lilies. Magnificent, large, trumpet-shaped flowers of pure white; exquisite fragrance. Sturdy, 4 ft. stalks, attractively foliaged, bear 3 to 15 gorgeous blooms. **50c each; 3 for \$1.39; 6 for \$2.65, postpaid.**

SPECIOSUM RUBRUM LILY. A spectacularly beautiful Lily with its gracefully rolled petals shaded pink and spotted with crimson; golden brown anthers are large and delicately poised. Medium size flowers are fine for bouquets and corsages. **75c each; 3 for \$1.98; 6 for \$3.79, postpaid.**

CENTIFOLIUM LILY. Immense, white trumpet-shaped flowers borne on sturdy, 6 to 8-ft. stalks, make a superb showing wherever grown. Delightfully fragrant. Hardy; easy to grow. **65c each; 3 for \$1.79; 6 for \$3.39, postpaid.**

ESTATE LILY. New Hardy Easter Lily. Flowers are 5 to 6 inches long, trumpet-shaped, pure white and very fragrant; exactly like the greenhouse-grown Easter Lilies. Grows 1½ to 3-ft. tall; will thrive outdoors except in coldest climates. **65c each; 3 for \$1.79; 6 for \$3.39, postpaid.**

CORAL LILY. Dainty bright orange-red flowers; petals are recurved and somewhat waxy. Six to eight blooms are borne on 2-ft. stems; excellent for rock garden or border. **65c each; 3 for \$1.79; 6 for \$3.39, postpaid.**

REGAL LILY. America's favorite. Very attractive, large white flowers suffused pink with creamy yellow throat. Pleasing fragrance. Blooms in July. **40c each; 3 for \$1.10; 6 for \$1.98, postpaid.**

New Pink DAFFODIL

MRS. R. O. BACKHOUSE

This delicately beautiful daffodil is undoubtedly the best known of the few "Pink Daffodils." Its informal ivory-white perianth and beautifully proportioned, deeply fringed trumpet of apricot-pink make it an exceptional beauty. Early blooming and long lasting, this pink daffodil will make your collection the envy of your flower loving friends. 25c each; 3 for 70c; 6 for \$1.35; 12 for \$2.55, postpaid.

Scilla

Amaryllis

Easy-to-grow, hardy plant. Produces very large, showy Lily-shaped flowers. Attractive green foliage appears first in spring and persists for a month or so, followed by sturdy flower stalks which shoot up to a height of 2 to 3 feet. Each stalk is crowned with a cluster of beautiful, large flowers of a delicate lilac-pink. Perfectly hardy; will produce year after year, and requires little care. Try a planting this fall — their beauty will surprise you. **Jumbo blooming-size bulbs, 75c each; 2 for \$1.45; 4 for \$2.75, postpaid.**

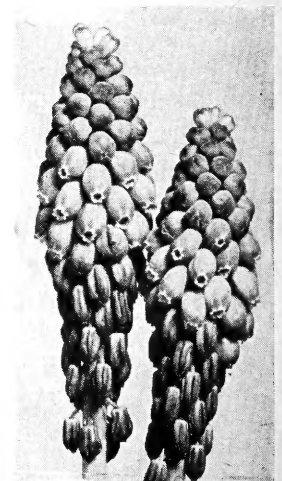

MUSCARI

(Grape Hyacinths)

These delightful, dwarf-growing plants are ideal for low borders, along walks and edging for flower beds. They like full sun, and will grow equally well under trees and shrubs. Their dazzling blue color will add to your planting and above all they require very little care.

Unusual! Exotic! Frilled!

PARROT TULIPS

These distinctive Tulips are entirely different from all others, due to their attractive fringed and waved flowers. They bloom with other tall growing varieties. Priced low so you can include them with your other Tulips.

FIREBIRD, RED FANTASY. King of the Parrot Tulips. Huge in size and very colorful, vivid red. Tall growing and strong stemmed. It is really gorgeous! **3 for 70c; 5 for \$1.00; 10 for \$1.95, postpaid.**

BLUE PARROT. Large violet-blue. Sport of Darwin Blue Aimable. **3 for 60c; 5 for 85c; 10 for \$1.50, postpaid.**

FANTASY. A beautiful salmon-pink. Sport of Clara Butt. The laciniated petals, the delicate coloring and unusual form, create a flower of rare beauty. **3 for 60c; 5 for 85c; 10 for \$1.50, postpaid.**

SUNSHINE. Clear golden yellow, with occasional slight green markings. Petals deeply cut and lacerated. **3 for 70c; 5 for \$1.00; 10 for \$1.95, postpaid.**

NEW BRONZE ORANGE. An exceptionally beautiful, new, orange Parrot Tulip. Bronze-orange in color. Much improved over old Orange Favorite. **3 for \$1.00; 5 for \$1.40; 10 for \$2.60, postpaid.**

Fall Planting is Ideal

1. It is agreed by experts that fall is an ideal time to plant nearly all varieties of trees, shrubs, and plants. The early fall rains give them a flying start.

2. Many shrubs and plants planted in the fall will bloom exceptionally well in the spring, whereas, spring planting may not be favorable to an early bloom.

3. The condition of the soil is usually very excellent for successful transplanting in the fall. A wet spring or a dry spring might make it impossible for you to plant.

Bunch Flowered Tulips

BUNCH FLOWERED TULIPS

Every stem of Bunch Flowered Tulips is a complete bouquet. A brilliant, orange-red species tulip, producing two to five blossoms on every stem. Strikingly different, this beautiful plant will be the pride of your garden. A border or bed of Bunch Flowered Tulips will prove very effective in creating a highlighting accent in your floral display. An early blooming variety, these lovely tulips grow to a height of 10 to 12 inches. 3 for \$1.00; 6 for \$1.50; 12 for \$2.85, postpaid.

NATURALIZING DAFFODILS

A fine mixture of large, high-quality bulbs, including long and short trumpet varieties. Plant bulbs among trees and shrubs for a natural, woodland effect. Daffodils multiply rapidly, producing large, brilliant flowers year after year. The easiest way to achieve this naturalized effect, is to scatter bulbs on the ground, a handful at a time; then plant them wherever they fall. Large bulbs, 25 for \$1.89; 50 for \$3.48; 100 for \$6.39, postpaid.

OUR GUARANTEE

We guarantee to deliver to our Customers first-class Nursery Stock in good growing condition. If through delay or mishandling in transit all is not in first-class condition on arrival, notify us at once and we will make a prompt and satisfactory adjustment by replacement or prompt refund of your remittance.

We guarantee our nursery stock to be true to name, and we strive to avoid mistakes, however, should any stock prove untrue to name we agree to replace such stock or refund the purchase price.

ORDER BY MAIL

Mail order buying of nursery stock is the best way, because plants are handled by experts and they do not lie around under the questionable care of incompetent persons. We will ship at the proper planting time. Strawberries cannot be shipped until Oct. 10.

WE PAY POSTAGE ON MOST ITEMS

You will please note that most items listed in our 1953 Fall Catalog are delivered to you postpaid, and are so listed. This saves you money.

There are, however, some items that are too large to ship by parcel post, such as fruit trees and shade trees. There are items such as hedge plants and some varieties and quantities of berry plants that are listed at such a low price for the high quality of stock that we cannot afford to pay the shipping charges. These items are shipped to you transportation charges collect.

In some orders there are trees which must go by express, and also some stock which would ordinarily go by parcel post. In order to avoid making two separate shipments we send the entire order by express. For this privilege we include extra stock which has a greater value than the amount of the extra transportation charges. When selecting this extra stock for you we choose items that fit in with the other items on your order.

We are recommending to our customers, Popular Gardening, the new all garden magazine and Country Gentleman, the "two-in-one magazine" for better farming and better living. We are enclosing a subscription blank for your convenience.

DEVELOP ROOTS THIS FALL

THE MIRACLE PLANT FOOD

RA-PID-GRO

Fall Root Development Is Very Important to Spring Blooming
Bulbs and Plants

HOW MUCH WILL I NEED?

To estimate your season's requirements of Ra-pid-gro figure at the rate of 1 pound of Ra-pid-gro for each 100 pounds of other fertilizer you have been using. Or the manufacturer recommends the following: For a lot 40 x 60 ft., with 15 shrubs, 20 ft. of hedge, 3 fruit trees, 2 evergreens, 12 roses, and 800 sq. ft. of lawn, 5 lbs. of Ra-pid-gro for a season's feeding. A lot 40 x 100 ft., with 25 shrubs, 3 shade trees, 4 fruit trees, perennial bed, a few grapes and raspberries, 10 evergreens, a small vegetable garden, and 1500 sq. ft. of lawn, requires 10 lbs. per season. A lot 75 x 150 ft., with 48 roses, 40 shrubs, 4 shade trees, perennials, 6 evergreens, hedge, vegetable garden, strawberry and raspberry patch, grapes, 10 fruit trees, and 4000 sq. ft. of lawn will require only 20 lbs. of Ra-pid-gro per season.

WHAT WILL IT DO?

Ra-pid-gro will work almost unbelievable miracles in promoting rapid and healthy growth on all types of plants. Use it on lawns, around shade trees, evergreens, shrubs, roses, perennials, vegetables and house plants. Many times plants which have been given up for dead will respond to applications of Ra-pid-gro.

Stop Expensive and Tragic Transplanting Losses — Use "Miracle"

Buddleias

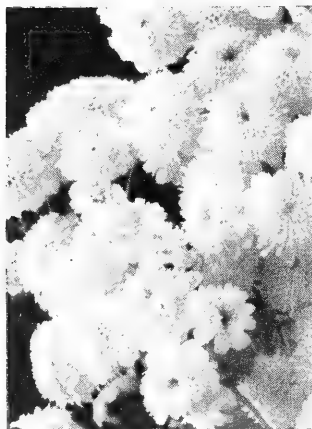

Asclepias

ASCLEPIAS

(Orange Butterfly Plant)

Three to four-inch flat clusters of the brightest orange flowers you ever saw. Blooms from July until fall; highly scented flowers are a great attraction for butterflies. Dwarf in growing habit; 12 inches tall. Very hardy and easy to grow; require little care and bloom profusely year after year. **Orange butterfly plant. 45c each; 3 for \$1.25, postpaid.**

Feverfew

FEVERFEW

(*Matricaria*) Charming, low-growing plant for the border. Small, white, double flowers are produced in great masses on 12 to 18-inch stems. Plants are in bloom throughout the summer and provide quantities of flowers for cutting. Finely divided, green foliage adds to the attractiveness of this perennial. Plant in the Fall, about 1 ft. apart in well-drained soil. Field grown plants. **40c each; 3 for \$1.10, postpaid.**

LYTHRUM

Stately, 3-foot plants producing great numbers of bright pink flowers all summer long. Plants grow best in moist, shady areas and will thrive in ordinary soil. An excellent border plant, the leafy flower spikes, 12 to 18 inches long make a very showy display over a long blooming season, and are equally useful for colorful, mixed bouquets. **50c each; 3 for \$1.35, postpaid.**

Lythrum

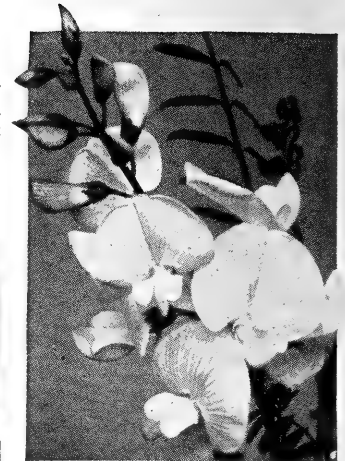

• 12 •

Scabiosa

SCABIOSA (Pincushion Flower)

Large, showy flowers of a particularly lovely shade of blue; they have long been a favorite for cut flowers and a border plant. Plants are very prolific, bearing great quantities of blooms from June to September. They grow 18 to 24 inches tall, and do especially well in sunny locations. By planting in groups of three or more, you can achieve a truly striking display. Plant about 8 inches apart in well-drained good ordinary soil. **45c each; 3 for \$1.20, postpaid.**

Sweet Pea

SWEET PEA

(Perennial)

This trailing plant is ideally suited for trellises, arches, fences and rough banks. They will thrive in ordinary soil and may be trained as desired. The dainty, fragrant flowers will provide a riot of color in your garden; and make charming floral arrangements. Plant 3 feet apart. **45c each; 3 for \$1.20, postpaid.**

Lychnis

LYCHNIS (Campion or Catchfly)

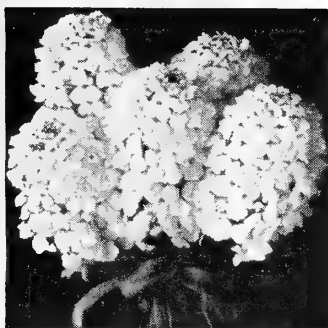

An old-time favorite with generations of flower lovers, this attractive perennial is still very much in demand. Its large, brilliant scarlet colored flower heads will add lively color accents to your garden throughout summer and early autumn. Plants are easy to grow and do very well in ordinary garden soil. Select a sunny location and plant in groups for most striking effects. **40c each; 3 for \$1.10, postpaid.**

RUSSELL'S HYBRID LUPINES

Russell's Lupines are stately, colorful, hardy perennials, ideal for border plantings. The pea-shaped flowers are closely spaced on three to five foot spikes with all flowers on the spike open at one time from top to bottom. Truly an outstanding selection of hardy Lupines, Russell's Hybrids bloom from June to September in a gorgeous array of color. **Mixed colors, 50c each; 3 for \$1.45; 6 for \$2.75, postpaid.**

LAVENDULA

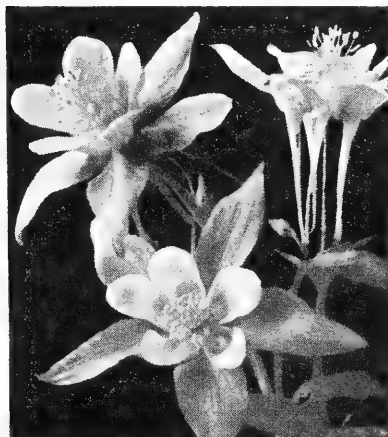

An old-fashioned fragrant shrubby perennial which has been grown for centuries in almost every garden. Commonly called "Sweet Lavender," its fragrant flowers are highly valued for drying and use in nosegays. There are lavender-colored flowers on erect spikes, about 18 inches high, in July and August. The flowers are often dried and used in bureau drawers for their delightful fragrance. **40c each; 3 for \$1.10, postpaid.**

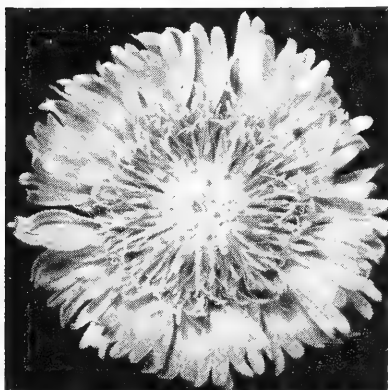

Candytuft

CANDYTUFT

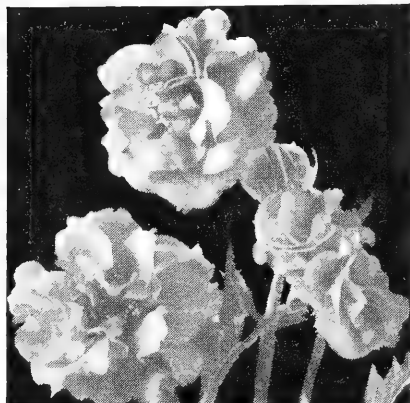

(Iberis). Ideal, low-growing plants for margins, borders and rock gardens. When in flower in the spring, they are covered with a mass of snow-white blossoms. Plants are dwarf, shrubby in growth, with dark green, evergreen foliage, and perfectly hardy. 40c each; 3 for \$1.10, postpaid.

AQUILEGIA

Aquilegias are one of the most valuable of hardy perennials. Their exquisite, durable, lobed foliage and spurred, gracefully hung blossoms are exceptionally beautiful.

CRIMSON STAR. One of the finest Aquilegias. Magnificent large blooms of bright crimson outside, waxy white inside. Excellent for cutting. 45c each; 3 for \$1.20, postpaid.

MRS. SCOTT ELLIOTT'S HYBRIDS. The finest color mixture grown; colors cover all shades of lavender, purple, red, white, yellow, blue and pink. Flowers are of magnificent size. 40c each; 3 for \$1.00, postpaid.

CATANANCHE

(Cupid's Dart). Bright, deep-blue-violet flowers, 2 inches across. Resembles Cornflowers, but more double. Borne on 1½-foot stems in great quantities. Fuzzy, silver foliage is very ornamental. Silver buds and seed pods. Blooms from July until frost. 45c each; 3 for \$1.20, postpaid.

STOKES ASTER

Stokesia "Blue Moon" Aster produces immense lavender blooms off and on all summer. An excellent border plant and easy to grow; does well in sun or partial shade. A solid planting makes a very striking display. 45c each; 3 for \$1.25, postpaid.

BLUE BIRD VERONICA

The aristocrat of perennials. Heavy spikes completely covered with deep, rich blue flowers are borne on stiff, 2-foot stems. They provide a rich display of color from midsummer through fall. Field-grown plants, 50c each; 3 for \$1.40, postpaid.

GAILLARDIA

BURGUNDY. Large, full flower of dark burgundy-red with high tufted, self-colored center. Profuse bloomer throughout summer and fall. Blooming-age perennial plants: 40c each; 3 for \$1.10, postpaid.

SUN GOD. Newest of the pure yellow Gaillardias. Fine for color contrast. Huge blooms on tall, erect stems, are produced freely over a long period. Blooming-age perennial plants: 40c each; 3 for \$1.10, postpaid.

DAZZLER. Bright golden yellow flowers with rich maroon centers on long stately stems. Excellent for bedding, borders or cut flowers. Thrives any place in the garden. Blooms freely and continuously from June until Autumn. Blooming-age perennial plants: 40c each; 3 for \$1.10, postpaid.

GEUM

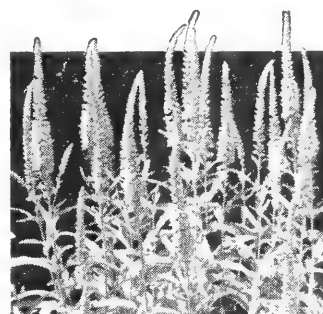

Splendid plant for the hardy border. Blooms freely from May through October. Grows 12 to 18 inches tall; large blooms 1½ to 3 inches across with large waxy petals; very attractive foliage.

MRS. BRADSHAW. Gorgeous bright crimson flowers.

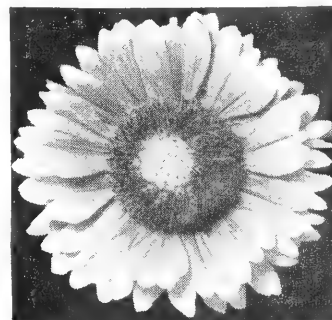

LADY STRATHEDEN. Beautiful deep golden yellow flowers. 50c each; 3 for \$1.35, postpaid.

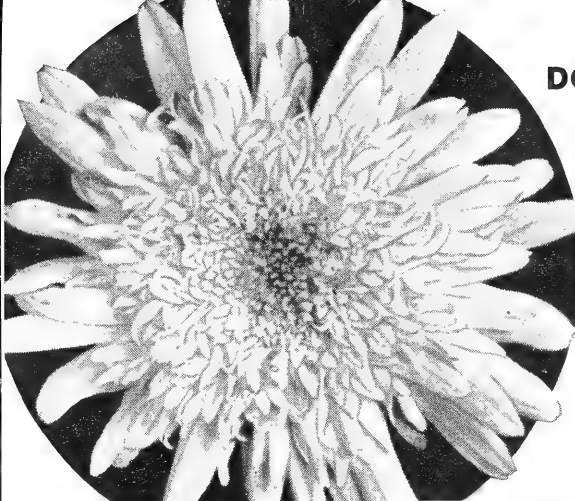

Delphinium

Veronica, Blue Bird

Gaillardia, Dazzler

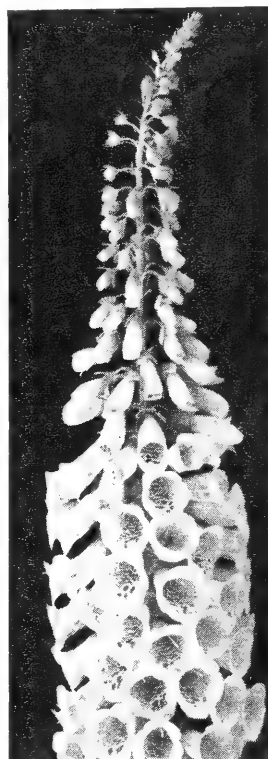

Double Mt. Shasta Daisy

DOUBLE MT. SHASTA DAISY

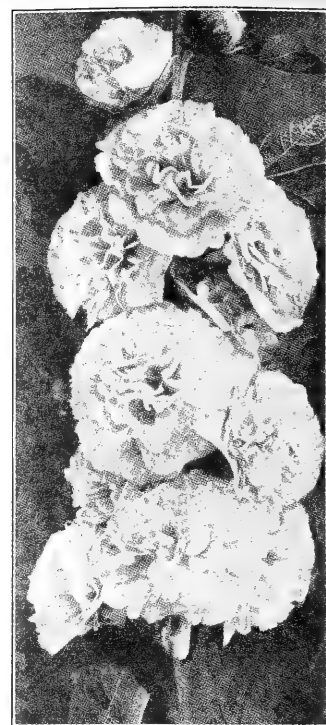

Beautiful, new double-flowering Daisy that will add distinction to your garden. Large pure white blooms with high tufted center and petals fringed at the edges. Tall growing with tough, wiry stems, perfect for cutting. One of the most popular and widely used of all hardy perennials because of its six-weeks blooming season in midsummer. For a great profusion of beautiful blooms for garden and bouquets, try a planting of this outstanding variety. **60c each; 3 for \$1.75; 5 for \$2.75, postpaid.**

FOXGLOVE Shirley Hybrid

Beautiful "wedding-bell" flowers in a wide range of solid and two-tone colors with dotted throats. Flower heads are 2 to 3 feet long, thickly clustered with large bell-shaped blossoms. For continuous bloom nearly all summer cut off old stems when flowers fade. A mass planting in beds or border will produce a truly charming effect. **45c each; 3 for \$1.25, postpaid.**

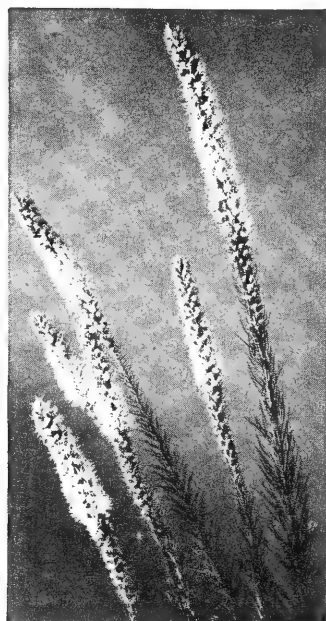

Foxglove

Double HOLLYHOCKS

New hybrid strain of an old garden favorite. One of the best background plants for hardy border and for a mass of color against walls and along fences. Produces large, double, very lovely flowers. Hardy, grows 5 feet tall. We consider these new, hardy Hollyhocks a "must" for every garden. **Colors. Newport Pink, Garnet Red, Black Gem, Golden Yellow, Blush Sunset, Lilac.** **6 for \$1.95; 12 for \$3.75, ppd.**

Liatris

LIATRIS

September Glory

A splendid, improved variety producing giant 6-foot spikes solidly covered with purple flowers. Excellent for color accent in the perennial garden. Flowers come into bloom all at the same time, making a very showy display. **40c each; 3 for \$1.10, postpaid.**

MORaine LOCUST (Plant Pat. No. 836)

New-Fast Growing Shade Tree

This sensational new shade tree will provide good shade quicker than any tree we know of, and is superior to other fast growing trees. Moraine Locust is a hardy drought-resistant tree that grows successfully on a wide range of soils. Because Moraine Locust is sterile there are no unsightly seed pods to clutter up the lawn. Moraine Locust forms a large beautifully shaped head similar in appearance to the American Elm. The finely cut foliage allows enough light to filter through to promote excellent growth of lawn, yet shade dense enough to discourage the growth of Crab-grass. Try a planting of this beautiful fast growing shade tree this fall.

• 20 •

Hydrangea P. G.

HYDRANGAEA P. G.

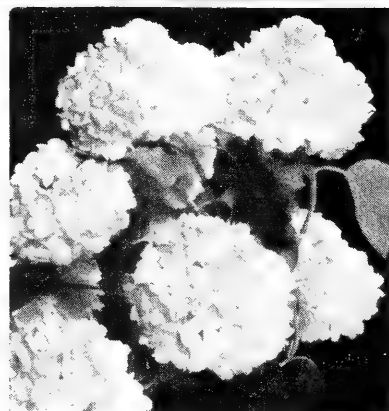

Delicately fragrant, pinkish-white blossoms form large panicles 6 to 10 inches long and almost as wide. Blooms deepen to a rose shade in the fall; produce a truly striking effect when used for lawn specimens. Shrubs grow 4 to 5 feet tall and are also widely used for foundation plantings and borders. **2 yr. blooming-age bushes, 90c each; 2 for \$1.75; 4 for \$3.40, postpaid. King size heavy, 2-3 ft., \$1.50 each, postpaid.**

VIRGINALIS SNOWFLAKE

(Double Mock Orange). Blooms freely in June and July, and occasionally thereafter. Produces large clusters of double and semi-double, white flowers with golden stamens; delicate sweet fragrance. Shrubs will thrive in sun or shade, in ordinary soil and moisture; grow 5 to 6 feet tall. **2 yr. blooming-age plants, \$1.00 each; 2 for \$1.95; 4 for \$3.80, postpaid. King size heavy, 2-3 ft., \$1.50 each, postpaid.**

HYDRANGAEA BARGAIN

1 Hydrangea A.G.	only
1 Hydrangea P.G.	\$2.95
1 Blue Hydrangea	
3 Blooming Age Plants postpaid	

White Snowball

WHITE SNOWBALL

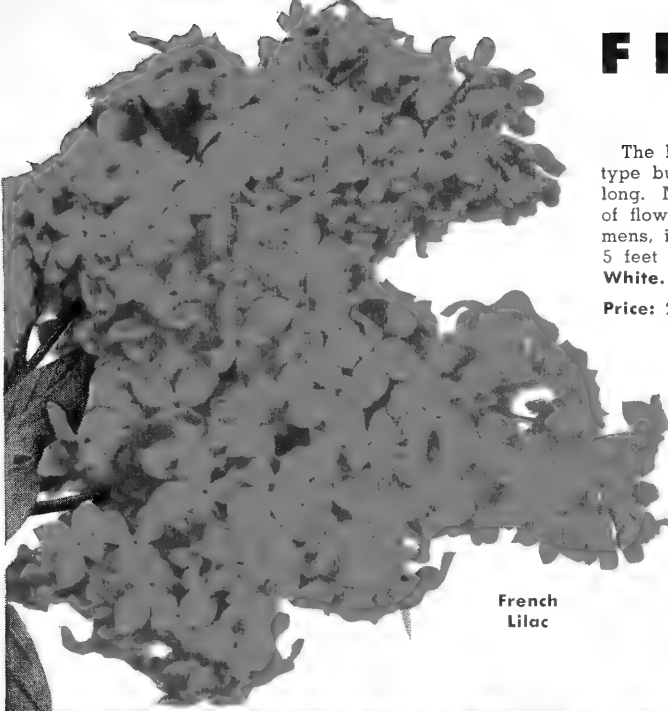

Large, white ball-shaped flower heads bloom in spring. Lovely 3-lobed leaves turn shades of bronze and purple in fall. An attractive shrub in all seasons; desirable for lawn specimens and corner plantings. Grows 6 to 8 feet at maturity. **2-yr., field-grown bushes, 90c each; 2 for \$1.75; 4 for \$3.40, postpaid.**

FRENCH LILACS

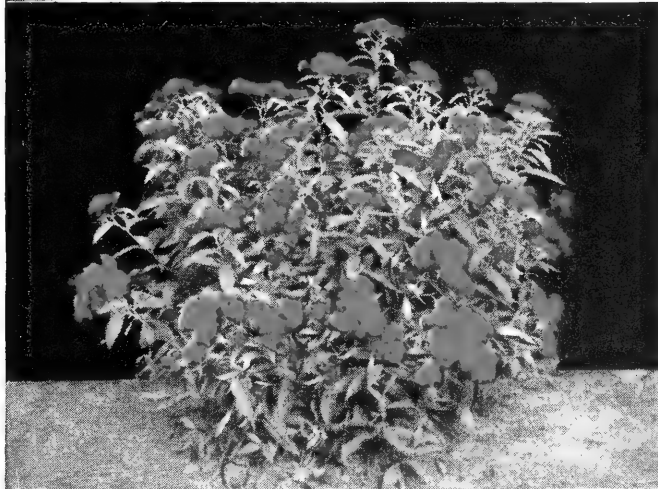

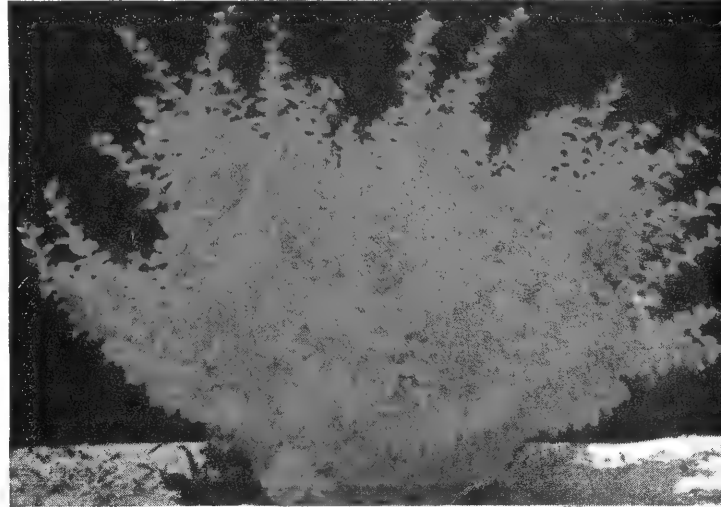

Beautiful, Fragrant, Huge Blooms

The loveliest forms of this universal garden favorite, the gorgeous French type budded Lilacs. Single and double flowers in panicles 8 to 12 inches long. Make compact, shapely bushes. They do not sucker, but bear loads of flowers every spring. French Lilac bushes are desirable for lawn specimens, in corner groups, mixed shrub plantings and for Lilac hedges. Plant 5 feet apart. They grow 6 to 8 feet tall. **Choice of colors: Red, Blue or White.**

Price: 2-yr., field-grown, \$1.20 each; 2 for \$2.35; 3 for \$3.45, postpaid.

French Lilac

RED BARBERRY. Brilliant red leaves all summer and fall. Red berries stay through winter. Beautiful in groups, hedges and among evergreens. Plant 18 inches apart in sunny location.

Heavy 2-yr., field-grown specimen plants.

Azalea Mollis

AZALEA MOLLIS

Gorgeously colored aristocrats! Clusters of large, waxen blooms completely cover the 3 to 4 ft., graceful shrub in May and June. This unusual, hardy shrub offers many possibilities for enlivening your garden with sparkling color. Use them for color accents in the foreground of shrub border or foundation planting; in groups for bold color effects.

Plant in full sun (light shade in the South), in soil generously mixed with leaf mold and acid peat. Each fall a top dressing of well rotted stable manure will induce finer blooms. Water freely in dry weather. Do not cultivate. **3 yr. field-grown bushes with buds, 1-1½ ft., mixed colors. Not labeled, \$1.95 each; 2 for \$3.75, postpaid.**

PURPLE FRINGE

SMOKE TREE

Clusters of misty-purple flowers make this tree-like shrub resemble a great "puff of smoke" when in bloom. Grows 6 to 8 feet tall and may be trimmed as desired. The flowers are long lasting and make a strikingly beautiful display. (Ours is the hardy variety that can be grown in the northern states.)

Pink Honeysuckle

CALYCANTHUS

(Sweet Shrub.) Delightful, spicy scented flowers with curly, mahogany-brown petals. Large, deeply veined, green leaves. Grows 4 to 5 feet tall. Ideal for terrace and front of border. **2 yr. blooming-age plants, 80c each; 2 for \$1.55, postpaid.**

Purple Fringe — Smoke Tree

PINK TARTARIAN HONEYSUCKLE

Shrub form Honeysuckle with flowers much larger and brighter in color than other varieties. A profusion of bright pink blossoms in spring, followed by loads of brilliant red berries in fall. Grows medium tall; thrives in sun or shade. **2-yr., field-grown bushes, 75c each; 2 for \$1.45; 4 for \$2.75, postpaid.**

**Dwarf
Crimson
Spirea**

DWARF CRIMSON SPIREA

Crimson-red flowers arranged in large, flat clusters, blooms from June until fall. Shrubs grow 3 to 4 feet tall; may be trimmed as desired. Very hardy; will thrive everywhere. **2 yr. blooming-age bushes, 80c each; 2 for \$1.55; 4 for \$2.85, postpaid.**

PUSSY WILLOW

The French Pussy Willow with its large, fuzzy, grey catkins is a welcome sight in early spring. Make charming bouquets. Tall growing with attractive green foliage; trim as desired. Hardy. **2 yr. field-grown bushes, 75c each; 2 for \$1.45, postpaid. King size heavy, 2-3 ft., \$1.25 each, postpaid.**

Cotoneaster

COTONEASTER DIVARICATA

A showy ornamental shrub that is rapidly growing in popularity. Medium tall; spreading habit. Gracefully drooping branches bear clusters of small pink flowers in June, followed by bright red berries. Blooms over a long period. Bright green, waxy leaves turn a colorful red in the fall. **2 yr. blooming-age, 90c each; 2 for \$1.75; 4 for \$3.35, postpaid.**

Plant Emblong's HARDY HEDGES

SPIREA (Bridal Wreath) Multitudes of small white flowers borne in clusters form an amazingly beautiful wall during June. Ideal for borders, foundation groups and for screen hedges. Set bushes 2½ - 5 feet apart. Grows with equal success anywhere.

Rosa Multiflora

VINES - Hardy, Climbing, Decorative

BOSTON IVY — Clings tenaciously to any surface. Once established, it grows rapidly and thrives in sun or shade. Glossy 3-lobed green leaves turn scarlet in fall. 2 yr. field-grown vines, 80c each; 2 for \$1.50; 4 for \$2.90, postpaid.

Goldflame Honeysuckle

GROUND COVER (Pachysandra Terminalis) — Beautiful waxy green leaves that stay green all winter. Thrives on banks and under large trees where grass refuses to grow. Set 1 to 2 feet apart, plants quickly spread, covering a wide area. 2 yr. plants, 5 for \$1.00; 10 for \$1.95; 20 for \$3.65; 50 for \$7.95; 100 for \$15.50, postpaid.

GOLDFLAME HONEYSUCKLE — Beautiful flower clusters large as your hand, bloom throughout the summer. Curved petals are brilliant rose-red outside and golden-yellow inside; exquisitely fragrant. Hardy, thrifty grower; blooms first year and every year from June until winter. 2 yr. field-grown plants, 90c each; 2 for \$1.70; 4 for \$3.20, postpaid.

PURPLE WISTERIA — Hundreds of graceful clusters of purple pea-like florets a foot or more in length cover the Purple Wisteria Vine during May and June. Pleasantly different from the usual purple flower, these hardy Purple Wisteria will lend a charming touch when grown on your fence, trellis or garden wall. 2 yr. field-grown vines, \$1.25 each; 2 for \$2.45, postpaid.

EVERGREEN BITTERSWEET (Euonymus Vegetus) — A strong growing variety, producing larger leaves and bright orange-red berries. Will grow 25 to 30 feet high. For a perfectly hardy, evergreen wall cover, we recommend it highly. Berries remain on the plant most of the winter. 2 yr. field-grown plants, \$1.10 each; 2 for \$2.10; 4 for \$3.95, postpaid.

Purple Wisteria

CHOICE EMLONG ROSES

MODERN EVERBLOOMING HYBRID TEA ROSES

EDITOR McFARLAND. Richly fragrant flowers of clear, brilliant pink. Noted for its perfection of form and long-lasting quality. Very hardy and free flowering.

BRIARCLIFF. Extra large flowers of deep rose-pink, lighter on outer petals. Extremely fragrant.

GRENOBLE. One of the finest red roses. Scarlet-crimson blooms on unusually long stems. Hardy bushes.

PRESIDENT HOOVER. Beautiful multi-colored buds and blooms of yellow and scarlet with pink and flame tints.

ETOILE de HOLLANDE. Brilliant red blooms of magnificent size. Fine for cutting; free flowering. One of best reds.

THE DOCTOR. Exquisite silvery-pink. Long, slender buds expanding to enormous blooms. One of the largest roses.

POINSETTIA. A true poinsettia-red of velvety texture and non-fading color. Buds are long and pointed.

GOLDEN CHARM. New yellow Rose. Free bloomer; vigorous grower. Buds are long and pointed on long stems.

TALISMAN. Rich orange-yellow buds open into large blooms of salmon-orange shaded with red and gold.

K. A. VICTORIA. Exotic, pure white blooms, beautifully formed and delightfully fragrant. Very hardy grower.

For LANDSCAPE BEAUTY

FALL is the BEST Time to Plant Roses!

Fall planting gives your rose plants a chance to become established before the first blooming season. This enables them to bloom as generously as older, better established plants. Roses set out in the fall will get their roots well anchored by spring, making them vigorous and disease resistant right from the start of the new season. Your plants are ready to grow on the first warm day next spring, producing earlier blooms than would be possible with spring planted stock.

ORNAMENTAL TREES

CARDINAL KING

Flowering Crab

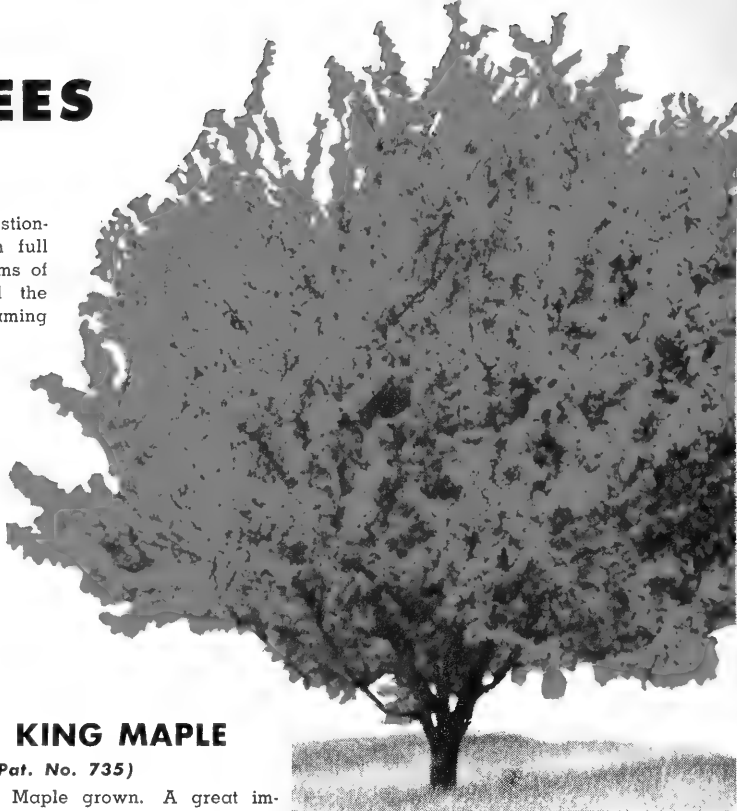

CARDINAL KING is a new, recent introduction and unquestionably the most colorful Flowering Crab ever produced! In full bloom, its beauty is truly breathtaking. Large, single blossoms of the most sparkling crimson-red imaginable, literally load the branches in early spring, presenting a picture of gorgeous, flaming color. Give your yard new beauty and rich color accents by planting CARDINAL KING this fall. Trees are perfectly hardy; thrive anywhere.

Cardinal King Flowering Crab

CRIMSON KING MAPLE

(Plant Pat. No. 735)

Truly the best Red Maple grown. A great improvement over Schwedler's purple leaf Maple. In the spring the foliage is a much richer red and this brilliant coloring is carried through the entire season. Unquestionably, Crimson King is a superb tree for single specimens, along streets and driveways, and every landscape purpose; providing striking contrast among other trees.

Crimson King is hardy and grows rapidly; reaches 50 feet at maturity. Your lawn and garden will take on a new elegance and distinction with a planting of Crimson King.

Prices:	Each	2
5-6 ft. trees	\$5.50	\$10.50

FLOWERING DOGWOOD

This very lovely ornamental bears an abundance of unique flowers measuring 1½ to 2 inches across. Bright rose-pink or creamy white. Grows 8 to 10 feet tall. Finely cut, attractive green foliage, gives it a dainty, airy appearance.

Specimen Trees.

RED RASPBERRIES

New! SEPTEMBER

EVERBEARING RED RASPBERRY

A superior autumn-fruiting Red Raspberry recently introduced by the New York State Fruit Testing Association. Bears two crops in one year. Berries are bright red in color, of good size and uniform, round shape. Keep well on bushes. Summer crop ripens about 5 days earlier than Newburgh; fall crop 3 to 4 weeks earlier than other varieties, thus insuring against failure due to fall freezes. Try a planting this fall.

New
Major

Emlong's New MAJOR Blackcap Leader

For many years we have been watching new varieties of blackcaps tested and grown and we have found one that is better than Cumberland. **Major** Blackcap was originated here in Berrien County, Michigan. The test of any variety is to do more than any other — Major does it! Produces the **BIGGEST BERRIES** and the **BIGGEST YIELDS**. Fruit sells at higher prices, therefore pays better than other blackcap varieties. Bushes are very hardy, healthy, vigorous.

EBONY KING BLACKBERRY

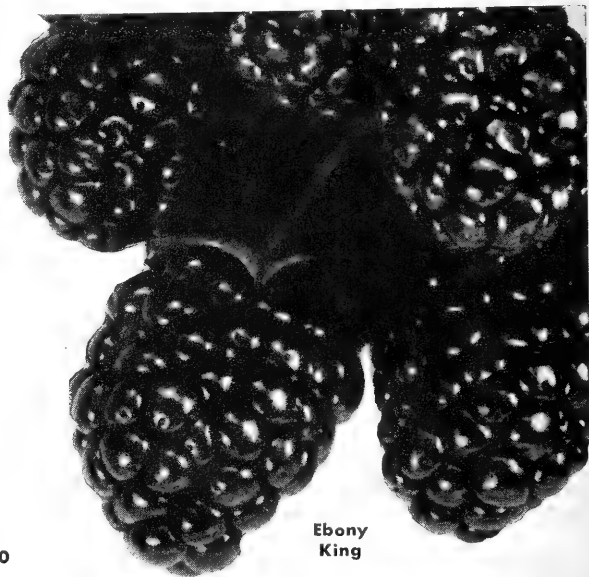

GUARANTEED TO BEAR

The sensational new, super-bearing Blackberry. Every plant will yield an excellent crop of fine quality, full-sized fruit. Berries are glossy-black, large and jam-packed with tangy sweet flavor. Pie made from this variety is "out of this world." Ebony King is an early variety, young bearing, and meets with full approval of processors and fresh fruit people. A big money-maker for the commercial grower, and the perfect berry for the home garden, due to its positive bearing qualities.

Plants are hardy, healthy, vigorous growing. Always produce big, dependable crops; every berry matures to full size and color. Try a planting this fall and get a head start on the big cash profits.

Seneca Grape

Paradise Asparagus

GIANT MULTI-PURPOSE BLUEBERRIES

Useful as hedges; foundation plantings. Beautiful blossoms; delicious fruit all summer long. Semi-evergreen decorative bushes.

Profitable for Commercial Growers

Giant, dark Blueberries covered with attractive blue bloom. Each bush is a fruit garden in itself. Berries are mild and sweet enough to include in any diet. Need no sugar when eaten fresh or frozen; very little when canned. Berries shown here are actual size Jersey variety. Fruit ripens over a long season and keeps wonderfully on bushes and after picked.

The bushes are lovely in the spring with their huge clusters of Lily-of-the-Valley flowers. Leaves are stiff, waxy green, turning red in the autumn. Free from disease and easily kept in attractive shape. They thrive on dry land. Make the soil acid with peat moss or sulphur fertilizer.

Blueberries can be shipped long distances and make a very profitable crop for the commercial grower. Plants usually start to bear the third year, and increase in productiveness until the tenth year. Always produce big, dependable money-making crops. Plant two or more bushes for perfect pollenization; set 5 to 7 feet apart.

APPLE TREES

- YELLOW DELICIOUS.** Queen of late fall eating apples. Mild, juicy, sweet, crisp, white flesh has a flavor all its own. Thin waxy-yellow skin. Our trees bear young and abundantly.
- RED JONATHAN.** The favorite large beautiful red Jonathan so popular with commercial growers. Flavor makes this Apple unequalled for eating fresh and cooking. Very productive.
- RED MCINTOSH.** Emlong's large fruiting strain of McIntosh is a winner for flavor and quality. Large, red fruits with white flesh. Highly aromatic. Ripens in fall and a good seller.
- CORTLAND.** Famous for its quick bearing and heavy yielding qualities. Large, dark red fruits, flesh white, tender, sub-acid. Excellent eating and pie apple.
- TURLEY WINESAP.** Perfect all-purpose Apple. Delicious fresh or cooked. In big demand for shipping, storage, drying, freezing, etc. Grows everywhere with grand success.
- RED DELICIOUS.** King of the winter Apples! Richly flavored, large, fragrant, solid red fruits. Outsells all others from coast to coast.

SWEET CHERRIES

WINDSOR. Fruits ripen late, prolonging your cherry profits. Large dark blackish-maroon fruits with wonderful keeping quality. Heavy bearer. Excellent shipper.

SCHMIDT. For the midsummer market there is none finer. Cherries are extra large, plump and uniform in size. Beautiful dark glossy black in color; superb rich flavor. Hardy, prolific bearer.

NAPOLEON. The favorite golden Sweet Cherry with beautiful pink cheek, also known as Royal Ann. Fruits are very large and deliciously sweet flavored. Favored for canning and fresh desserts.

BLACK GIANT. Our largest, blackest and sweetest Cherry! Bears heaviest crops of any Sweet Cherry. Ripens late, keeps a long time on the tree. Excellent shipper and canner. Hardy as Tartarian.

PEACH TREES

ELBERTA. Outstanding money-maker. Leading shipper, canner and freezer. Top quality, delicious fruits.

HALE HAVEN. Extra large, juicy, deep-orange Peaches. Freestone; self-pollenizing, rated A-1 for hardiness.

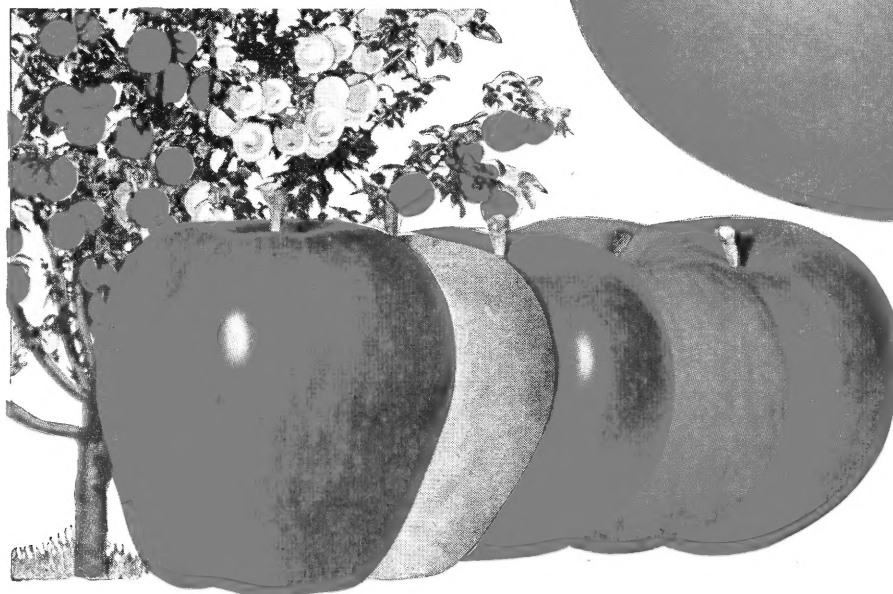

FAIRHAVEN. New early variety with outstanding production record. Fruits are bright golden; firm flesh.

J. H. HALE. Rich flavor, fine texture, large bright yellow fruits; commands top prices on the market.

REDHAVEN. Ripens *extra early*. Flaming scarlet fruits with sweet, firm golden flesh. Good shipper.

DWARF FRUIT TREES

DWARF APPLE TREES

Dwarf Apple Trees are in great demand by the grower with little space. The small trees grow about 8 to 12 feet at maturity, but they will produce the same large size fruit as the standard trees. They often start bearing the second year after planting.

IMPORTANT: Plant with bud union 2 to 3 inches above surface of the ground. Limited supply. Order now.

VARIETIES. RED DELICIOUS, McINTOSH, CORTLAND, YELLOW DELICIOUS. 3-4 ft. trees, \$2.95 each; 2 for \$5.75; 4 for \$11.00.

DWARF PEAR TREES

Bear full-sized, delicious fruit, the same as standard varieties. Often start to bear the year after planting; always produce a full crop. Trees are very ornamental in spring with their abundance of creamy-white, fragrant blossoms. Plant as close as 5 feet apart. They seldom grow more than 6 to 10 feet tall.

VARIETIES: BARTLETT, CLAPP'S FAVORITE, DUCHESS, SECKEL (sugar pear).

Prices:	Each	2	4
2-3 ft.	\$1.95	\$3.50	\$6.80
3-4 ft.	2.50	4.75	8.95

OKA DWARF CHERRY

This hardy, Hybrid Cherry-Plum is a delicious, dark, purplish-red fruit. It bears a full crop even in the coldest climates where regular Sweet Cherries do not thrive. Plant in garden or shrub border, preferably near Plum trees. Plant 2 trees for best results. Bears quickly.

SAPA DWARF PLUM

Red-fleshed, medium-sized Plum; deliciously sweet juice. Enormous cropper even in the coldest climates. Fruit firm and freestone, good for canning and shipping. Trees have dwarf growing habit. Often start to bear the year after planted. For best results plant 2 trees.

Prices, OKA CHERRY AND SAPA PLUM:	Each	2	4

Delicious PLUMS

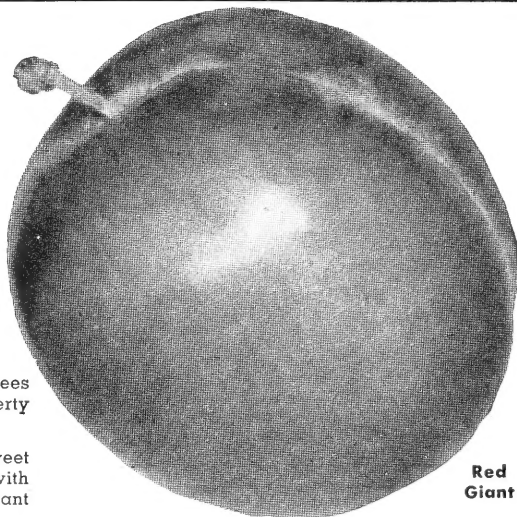

STANLEY PRUNE. Sweetest Prune grown and the leading commercial variety. Dark blue skin; fine sweet, juicy, golden flesh. Freestone.

RED GIANT. Fruits measure 3 inches long, produced in clusters of 7 to 12 giant plums on each branch! Greenish yellow flesh, very firm and sweet. Good shipper; canner.

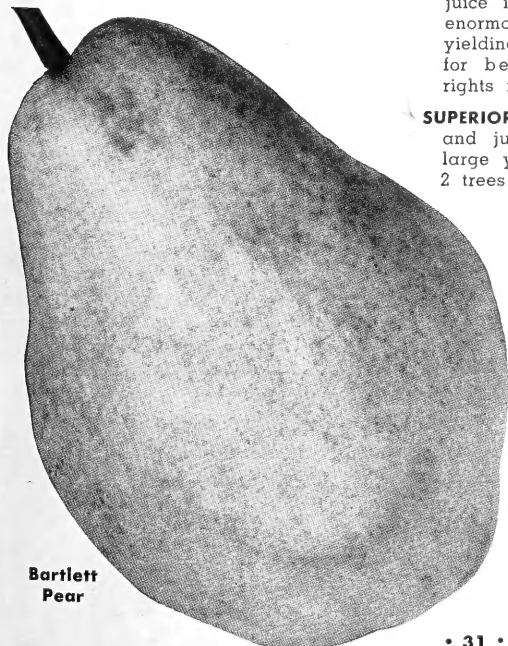

GREAT EUREKA. Eureka is known as the "Red Nectar" fruit because the juice is red and sweet. Grows to enormous size if thinned. Heavy yielding and young bearing. Plant 2 trees for best results. (Emlong's property rights reserved.)

SUPERIOR. Yellow flesh is delicious, sweet and juicy; freestone. Bears early with large yields. Very hardy variety. Plant 2 trees for best results.

Pear

Emlong's Choice PEARS

BARTLETT. Large, waxy yellow fruit with red blush. Fine white flesh is superbly flavored. Ideal for fresh dessert, canning, summer storage.

CLAPP'S FAVORITE. Large, uniform fruits with beautiful green skin deeply blushed carmine-red. Flesh is crisp, white, sweet and juicy. Bears heavily.

BOSC. Always in demand on the fancy fruit market. There is no finer flavored than the long-necked Bosc. Flesh is firm, white and deliciously flavored.

SECKEL. Called the Sugar Pear because of its delicious sweet flavor. Fruit is small but of highest quality. Ripens in late summer. Bears young and heavily.

"BRILLIANT" Super-Bearer

Patent No. 1183

EVERBEARING STRAWBERRY

THE BEST TRUE EVERBEARER

BRILLIANT ACCLAIMED EVERBEARING CHAMPION

Brilliant has won all records for BIG YIELD and PERFECT BERRIES. Brilliant won first place out of tests with seven new and many older everbearing varieties. Brilliant produced 7,000 quarts per acre; 2,000 quarts more than any other variety.

BRILLIANT IS A TRUE EVERBEARER

Brilliant is the only everbearer that keeps fruiting steadily all summer and fall. Brilliant is a 100% perfect pollinizer and matures to full size, uniform shape, and even color.

BRILLIANT PRODUCES EARLY

Brilliant is the quickest berry maker you ever saw. The plants are so thrifty and vigorous that unlike other everbearers, the very first blossoms can be left on to bring you perfect berries just a few weeks after the plants are set out.

BRILLIANT HAS STOOD EVERY TEST

During the droughts of past years many other Strawberry plants dried up while Brilliant produced its usual heavy crop of top quality fruit. Excessive Fall rains which usually hinder pollinization and spoil the crop of other everbearers do not affect Brilliant. Perfectly hardy. Brilliant does equally well on thin sandy soil, heavy clay, or raw muck.

BRILLIANT HAS MATCHLESS QUALITY AND FLAVOR

Brilliant berries are so bright and appetizing that you can almost taste them before they reach your mouth. They are rich and tangy in flavor, but lacking the acidity that is so common in everbearing berries. The tasty and juicy flesh is of firm texture and solid throughout. Fine for preserves, and tops for freezing.

RED CROP

A new June-bearing variety, released by the New Jersey Experiment Station in 1950. The berry is medium to large and very uniform in size; it is bright red throughout with no hollow center. It makes an excellent frozen product. It has indicated a resistance to red stele disease.

FAIRLAND

A new variety, recently released. Resistant to red stele; vigorous grower and heavy yielder. Berries are large, bright red, good quality and flavor. A very hardy grower.

SUPERFECTION

A leading everbearer. You will get big, juicy, richly flavored red berries in just 12 weeks after planting. Berries are firm, do not discolor after picking, and keep exceptionally well. Superfection has proved to be rugged and hardy even in Northern Michigan.

DUNLAP

The sweetest, richest-flavored Strawberry. Ripens mid-season to late. Makes a solid fruiting row with medium-size, very dark red berries. Plants are self-pollinizing and very hardy.

PREMIER

Earliest to ripen; brings highest prices on early market. Bright red berries; wonderful for fancy dessert and canning. Excellent for shipping. Perfectly self-pollinizing.

KARDINAL KING

The best late berry. Plants bear huge crops over a long period. Dark red berries are juicy and sweet flavored. Starts to bear soon after Premier and continues through the late berry season.
